Final Tour

Iraqi Dead Under US Occupation

Bureaucrat Totenkopf

We have a new president, but not much has changed. The old and new are the same. We've come full circle. What was still is. Two wars continue, though progress is always just up ahead with another surge, another strategy gimmick, more tours of duty for those already living in a mental abyss, and another ending combat operations. The death toll continues to rise for all involved. The deadly 21st Century. Perhaps the end never ends.
