PR No. 11/2010

Editorial Paintings announces an Election Special now on view in Gallery 1 at [www.editorialpaintings.com](http://www.editorialpaintings.com):

### ***California Gold***

The opponents of California Proposition 19 have now resorted to fear and perception management in their desperate attempt to defeat the measure. This time they have had the voluntary cooperation of the Los Angeles Times, old DEA directors, and a very confused Los Angeles County Sheriff. However, a lot of facts have not been included in their fear campaign.
