Press Release

June 24, 2008

PR No. 9/2008

Editorial Paintings announces a new round of paintings now on view in Gallery 1 at www.editorialpaintings.com:

New Constitution of the United States of America

Commander-N-Sleep

Mayor

We're in a crisis with a lawless and unstable President, a reckless and lawless Vice President, an incompetent Secretary of State, and another oddball Neo-con for an Attorney General - who thinks his job is to be attorney to the President. The members of Congress don't seem to know what the Constitution is, and have decided to just wish-away unconstitutional actions of the Executive.

Where do these kinds of problems begin? At the local level; the roots of patriot games.
